Employment/  
Benefits

Pathfinder ROOTS work with families , including where there are children under 5 to provide specialist support to identify and work alongside you to overcome barriers affecting your lives.

# What can I expect?

Our values are:

**Nurture**

**Shared Authority**

**Commitment to Social Justice**

## Nurture

Pathfinder ROOTS work directly in schools to deliver high quality family support and at the heart of what we do is build a safe trusted relationship between schools and families.

## Shared Authority

Our aim is to work 'alongside' families bringing a wealth of expertise to address identified barriers in a **supportive, non judgemental** approach that empowers families and builds resilience.

## Commitment to social justice

Pathfinder staff will never promise something we are unable to deliver, we do not close cases-this means families will have access to ongoing support for as long as the need.

# What is on offer?

Pathfinder Roots offer a wide range of support to families through schools including:

**Housing Support**-advice, access to housing surgeries

**Debt and Employment**- support with DLA, PIP, Benefits , support with debt management and signposting support

**0-5 developmental support**-advice, assistance, guidance and signposting for pregnant mothers and children 0-5. We also run workshops in school nurseries

**Parent support Groups**-Coffee Mornings and social network events/projects with parents in a safe, friendly and non-judgemental setting

**PI4 Parents**-A psychologically informed programme which supports parents to develop strategies and practical tools to develop connections and understanding.

**Emotional Wellbeing/Mental Health**- support with signposting and support to access services

**Social Support**- Access to food banks, and other social enterprises for support with daily living costs

**Pathfinder workers are a single point of contact for families. We are based in schools and work to co-ordinate services and advocate on behalf of families who would like to access support.**
