

Pathfinder: School Based Early help Support

Hi my name is Lynwen Jones, I am a Pathfinder Early Help Family Support Worker and I am based at both the St Laurence Church Junior and Infants Schools every Thursday.

Early help Support can include help with home and housing, parenting, accessing special education needs support, mental health, wellbeing and more. We have access to Citizens Advice Bureau and Domestic Abuse services who we work in partnership with.

I can work directly with families as well as providing resources and sign posting to the many services and help available throughout Birmingham.

Early Help is open to every family:

We are running an **Early Help Surgery for a 1-1 conversation on Thursday 5th November.** (You can also meet our Citizens Advice Bureau worker for help around benefits/ appeals and entitlement checks)

Meetings will take place at the Junior School but are open to families from both schools.

To book a time slot contact either of the school offices or email enquiry.SLJ@fioretti.co.uk We will need a contact telephone number so that we can speak to you before the meeting.
