

## Dear Students and Teachers at St Laurence Church Junior School

On the behalf of The Royal Orthopaedic Hospital NHS Foundation Trust, I would like to personally thank you for your generous donation of handmade bunting in aid of our Platinum Jubilee celebrations in May 2022.

The hard work that went into these incredible designs did not go unnoticed and was hung in our cafeteria for all our staff, patients and visitors to see.

The hospital itself is of course funded by the NHS, however, cash can be limited, meaning patients do not always get the advanced level of care they deserve. Over the last year, we have funded over **£60,000** worth of projects to support patient & family experience within the hospital as well as over **£45,000** worth of wellbeing initiatives and additional training for staff.

This is why supporting the Trust is so important, its the 'added extras' that we provide that turn a good experience, into a better one.

## Visiting our Children & Young Peoples Service

We would also like to take this opportunity to thank you all formally for a truly great day on the 9<sup>th</sup> June. It was a great morning, the children were delightful, engaged and polite. It made us feel very proud that the generous donation you made previously was from such a respected school.

Hopefully the Children found it valuable to see first-hand what happens 'behind the scenes' in a hospital as well as see the impact of their donation. All the staff involved found the morning really helpful; sometimes its great to step back, reflect and get feedback from our younger peers!

## Continue your support

We would love for us to continue this partnership together with future community and fundraising events. If this is something you would be interested in, please let us know and we can arrange a meeting to discuss.

If you would like to get involved in the charity in other ways, please do contact me. I have enclosed my contact details for you, feel free to get in touch.

Thank you again for your generous donation, we really do appreciate your support and thank you for your contribution.

Sincerely,

Ali Gray – Charity Manager
