Dear Parents and Carers,

We are excited to share that our school has been chosen to take part in a special 'Singing Playgrounds' video project on the afternoon of Tuesday 8th July.

The afternoon will begin with a 'Big Sing' session at 1:30pm in the school hall, led by the team from Ex Cathedra, where the children will learn a simple and fun singing game. Following this, the team will lead the children in singing play activities outdoors. As part of this celebration, a drone will be used to film the children's singing play.

The final video will be shared on Ex Cathedra's YouTube channel and the Singing Playgrounds website, and links will be posted on their social media platforms. It will also be shared on the school's online platforms. The video will be similar to the one made at Birmingham Children's Hospital for the 'Singing Medicine' initiative- you can watch it [here](#).

As you have already completed consent forms regarding photography and videography, we will apply the same permissions to this project. However, **if you would like to change your preferences** regarding the filming of your child for this event, please email the school office at enquiry@stlrcnj.bham.sch.uk **by Monday 23rd June**, stating your child's name and class and whether you are happy for them to be included in filming for this event.

We are very privileged to have been chosen for this project and are really looking forward to a joyful and musical afternoon! If you have any questions, please do not hesitate to contact me.

Warm regards,

Mrs Camwell

Music Coordinator
