

Premier Education FREE Morning Club

Dear Parent/Guardian

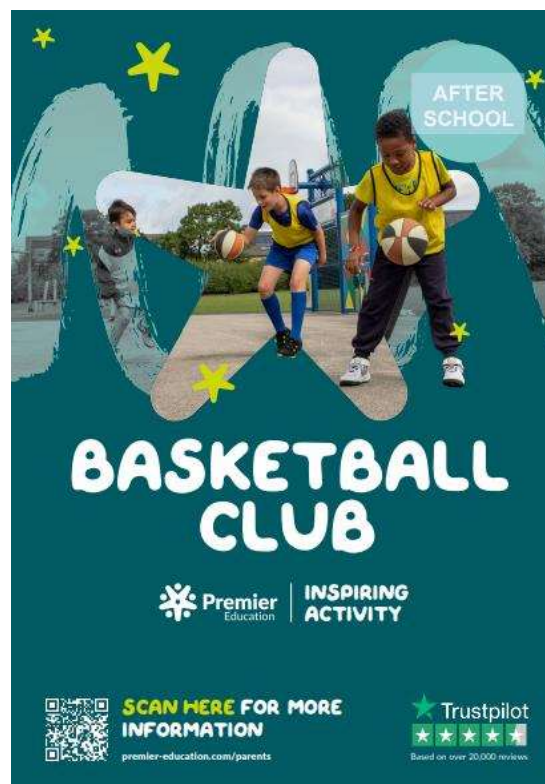

We are delighted to share our offering of a **free Morning Club** on **Wednesday 5th March 8.15-8.45am** in the school hall. Your child is invited to attend and simply needs to be taken to the outside hall door by the school office at 8.15am where a member of the team will welcome your child.

The aim of this offering is to share the types of activities we are conducting in our Basketball After School Club on Wednesdays which still have spaces available. The club aims to develop hand-eye coordination along with fundamental skills where our main focus is for the activity to be inclusive and most importantly FUN!

How to book your place: Please ***email me direct by 5pm on Tuesday 4th March*** as spaces are limited: mbrennan@premier-education.com

Please include: Your child's name, year group, any medical needs plus an emergency contact number

Your child can wear their school uniform as usual

We will have a flyer for you to take home with you which explains how to book onto the after school club if your child would like to attend these moving forward.

We look forward to welcoming your child for a fantastic activity to kick start their day!
